Magnetic Blocks

Magnetic Building Sticks ...

A collection of various colorful structures made of magnetic building sticks and spheres, displayed in a white frame. The structures include a small arch, a larger arch, and a complex tower-like structure. The colors are vibrant and varied.

Our Certifications

Safety First, Quality Always. As a dedicated magnetic toy factory, we ensure all our products meet the stringent requirements of the US and European markets. Using only 100% non-toxic and eco-friendly materials, our toys are fully certified by ASTM, EN71, CE, and CPC.

Why Choose Us

- ✔ **Ultimate Safety Design:** We utilize advanced double-layer ultrasonic welding technology to seal every block. This ensures that magnets are permanently encased, eliminating any risk of loose parts and providing a 100% "fall-out proof" experience.
- ✔ **Eco-Friendly & Non-Toxic:** We exclusively use premium materials that meet the highest environmental standards of the US and EU. Our products are BPA-free and lead-free, ensuring a safe tactile experience for children.
Global Certifications: Quality isn't just a promise; it's proven. Our factory and products are fully certified with: ASTM (USA), EN71 (Europe), CPSIA, CPC (Children's Product Certificate)
- ✔ **Flexible OEM & Customization Services**
We understand the needs of growing brands and startups. That's why we offer agile manufacturing solutions:
Low MOQ: We welcome small-batch OEM orders to help you test the market without heavy inventory pressure.
Custom Packaging: Whether it's a sleek gift box or eco-friendly bags, we can help you design and produce packaging that matches your brand identity.
Product Customization: From unique colors to logo embossing, our team is equipped to handle your specific design requests.

A photograph of two children, a boy and a girl, smiling and playing with colorful magnetic building blocks. They are constructing various structures, including a volcano, a dinosaur, and a dome. The blocks are in shades of pink, blue, green, and orange. The background is a bright, slightly blurred indoor setting.

Thank you so much

Thank you for reviewing our catalog. We aim to be your most reliable supplier for magnetic building blocks and are committed to doing our utmost to meet your specific requirements.
